

Sylvania UCC Worship Safety Checklist

(As approved by the COVID – 19 subcommittee 5/7/2020; revised 10/8/21)

Safety Checklist:

- Make sure push button is turned on for automatic door.
- Have individually packed face masks available outside main entry for use by anyone without a mask (mask becomes property of person it is given to).
- Have automatic/no touch hand sanitizing stations at main entrance.
- Main floor restrooms open and available.
- Coffee/refreshment service temporarily suspended.
- Every other pew will be closed to maintain appropriate social distancing.
- Designate dedicated person(s) to do audio and video recording of service for future posting to various media, so it can be viewed by any unable to attend in person.
- Place offering plates at exit point of sanctuary for attendees to deposit offering in upon exiting. Head usher to collect and secure following each service.
- Trustees lock up church as per normal procedure.
- Nursery is closed.
- Additional services will be determined by the Ministry Team.
- Singing while masked can resume during worship.
